A: VETERANS' PRIORITY		
Veterans are defined as those individuals who have been separated with an honorable discharge or under honorable conditions from active duty in the Armed Forces of the United States, performed during one of the periods or campaigns described in 5 U.S.C. 2108. At the time of application to Job Corps, veterans must provide their form DD 214, Report of Separation, which identifies a veteran's condition of discharge. In addition to form DD 214, veterans with a service-connected disability of 30% or more must also submit a copy of a letter, dated within the last 12 months, from the Department of Veterans Affairs or the Department of Defense certifying receipt of compensation.
Spouses of veterans also receive priority if they are married to: • Any veteran who died of a service-connected disability; • Any member of the Armed Forces serving on active duty who, at the time of application for assistance under this section, is listed, pursuant to section 556 of title 37 and regulations issued thereunder, by the Secretary concerned in one or more of the following categories and has been so listed for a total of more than 90 days: (1) missing in action; (2) captured in the line of duty by a hostile force; or (3) forcibly detained or interned in the line of duty by a foreign government or power; • Any veteran who has a total disability resulting from a service-connected disability; or • Any veteran who died while a disability so evaluated was in existence.	AC assesses documentation of veteran status.
