SUBJECT: National Framework for Youth Challenge Partnerships

1. Purpose. To inform the Job Corps community of a national framework in working with Youth Challenge sites
2. Background. The Attachment, "Framework for Job Corps – Youth Challenge Collaborations," provides an overview of the Youth Challenge program, and information on types of partnerships, the roles of each program in a partnership and additional issues that may arise. This Notice is in no way an advocacy or endorsement of partnerships nationwide, but rather a framework for those sites that intend to pursue partnerships in a thoughtful and deliberate way. As the framework outlines, partnerships should be designed so as not to duplicate services or decrease efficiencies in either program, but to share information and resources in a way that will benefit the student or participant.
3. Action. Addressees are to ensure that this Notice is distributed to appropriate staff.
4. Expiration Date. Until superseded.
5. Inquiries. Questions or comments should be directed to Maria Temiquel, at (202) 693-3118 or temiquel.maria@dol.gov.
