- c. Uncommitted Student – one who has remained in Job Corps less than 60 days (regardless of achievement), or who has separated for a Zero Tolerance “Level One” infraction, per Chapter 3, Exhibit 3.1 (Infraction Levels and Appropriate Center Actions).

R2. Eligibility for and Duration of Post-Center Service Period

REQUIREMENTS

R1. Contact

Career transition service providers shall:

- a. Make direct contact with graduating students prior to separation to assess needs in accordance with Chapter 3, Section 3.21, Career Transition Readiness (if a projected graduate separates as a former enrollee, see Section 4.4 below, Career Transition Services for Former Enrollees).

- b. Continue to collaborate with each graduate to assess his or her career transition needs to ensure progress toward career goals as outlined in the student's Personal Career Development Plan (PCDP).

R3. Placement Services

Career transition services providers shall:

- a. Use labor market information and other resources to work with each graduate to develop placement strategies tailored to meet his or her individual needs and career goals.
- b. Identify job leads or educational and training opportunities for which the graduate qualifies, and which meet the placement definition as specified in Exhibit 4.1 (Placement Definitions) at the end of this chapter.

 2. Transportation

 8. Counseling/mentoring
 9. Job retention
 10. Legal services
- b. Provide ongoing counseling and support to resolve job-related issues and to support job retention.
- c. Provide ongoing transitional support assistance to graduates for continued employment.

R5. Relocations

- a. This section outlines the procedure for transferring cases between CTS providers once a graduate has relocated. This policy applies to graduates who are assigned to their initial CTS provider and then relocate to an area covered by a different

CTS provider. This may include one or more relocations within the graduate's period of placement and follow-up services.

This section *does not* apply to students who, at the time of separation, move to a location other than their home of record (these types of relocations are covered in each Region's CDSS Plan).

For the purposes of this section, current CTS providers will be referred to as the "sending CTS provider" and new CTS providers will be referred to as the "receiving CTS provider."

- b. Below is the procedure for transferring a case once a graduate has relocated. Although contact between CTS providers in preparation for a graduate's relocation is encouraged, a transfer will not be official until confirmation that a graduate has physically relocated.
 1. For relocations within regional boundaries, CTS providers will follow the guidelines of their Regional CDSS Plan.
 2. For relocations between regions, the sending CTS provider will transfer the case to the receiving CTS provider in the geographic area to which the graduate has relocated. Sending and receiving CTS providers will follow the process below:
 - (a) The sending and receiving CTS providers will contact one another to coordinate the transfer. This contact will be documented in CTS case notes.
 - (b) The sending or receiving CTS provider, whichever first confirms that the relocation has taken place, will submit a transfer request in the Career Transition System. The contact information of the receiving and sending CTS provider and the updated contact information of the graduate will be included in the comments section of the electronic transfer request in CTS. **The official date of the transfer is the date on which this electronic request form is submitted.** Upon submission, the CTS provider will document the date in CTS case notes.
 - (c) The sending and receiving CTS providers will meet with the graduate either via phone or face-to-face, to introduce the receiving CTS provider to the graduate. All efforts will be documented in CTS case notes.
 - (d) The sending and receiving CTS providers will verify that the student has moved by making contact with the student at the new phone number and verifying the student's updated contact information. Any additional contact information will be documented in CTS case notes.
 - (e) The sending CTS provider will ship the case file to the receiving CTS provider through a traceable method with expected delivery to be the next business day. (e.g., Federal Express, United Parcel

- Service, U.S. Postal Service Express Mail, courier service, etc.).
Date of post and receipt will be documented in CTS case notes.
- (f) The sending and receiving CTS providers will report problems with the transfer of cases to their respective Regional Offices.
- c. To align with the crediting CTS agencies where CTS-assigned students relocate to a different service area (Chapter 5, Appendix 501, Introduction, and Appendix 501c, Attachment 3), rejection of a case transfer by CTS providers will follow the procedures and rationale below:
1. **Transfer of cases occurring with less than 60 days remaining in the placement window cannot be rejected.** This is due to the fact that the OMS Crediting Policy does not hold the receiving CTS provider accountable for short-term placement measures. If the student is not placed by either provider, the sending CTS provider will be held accountable. If the receiving CTS provider *does* place the student, it will receive credit for the placement and is responsible for 6- and 12-month placement measures.
 2. **Transfers of cases with 60 or more days remaining in the placement window may be rejected** if the receiving CTS provider's Regional Office approves the rejection as satisfying one of the conditions below:
 - (a) The receiving CTS provider is unable to contact the relocated graduate despite reasonable attempts to do so.
 - (b) The graduate is found to have not relocated to the CTS provider's service area.

If the Regional Office finds that the rejection does not satisfy one of these conditions, the rejection will not be approved and the transfer will be deemed valid. For OMS crediting purposes, the official date of the transfer will remain the date that the transfer request was submitted electronically, despite the time it may have taken to adjudicate the rejection in the Regional Office.

Upon receipt of a transfer, the receiving CTS provider will have 14 calendar days to confirm receipt of the case or file a rejection with their Regional Office. With 7 calendar days remaining, the receiving CTS provider will receive a reminder notification to act on the transfer request. After the 14-day window closes, transfer requests will automatically be accepted by the receiving CTS provider. The date of the transfer remains the date that the transfer request was submitted electronically.

Per the OMS Crediting Policy, for transfer of cases with 60 or more days remaining in the placement window, the receiving CTS provider will be held accountable for placement of the graduate. In cases where the graduate is placed by the sending CTS provider before the transfer, the sending CTS provider will receive credit for the placement and the receiving CTS provider may receive credit for any upgrades. The receiving CTS provider is responsible for 6- and 12-month placement measures.
