PRS Ratings Definitions and Scoring Scale
<i>Exceptional (8/9)</i>
Programs, procedures, and systems are well organized, clearly communicated, and administered to ensure quality delivery of all requirements and achievement of quality indicators. Innovative approaches result in program enhancements and improved outcomes. Through rigorous self-assessments and quality assurance, the operator safeguards program assets and maintains the integrity of program data.
<i>Very Good (6/7)</i>
Programs, procedures, and systems are consistently in place to ensure delivery of requirements and achievement of quality indicators. Some innovative approaches are employed to promote continuous improvement. A viable quality assurance plan ensures integrity and accountability of program assets and data.
<i>Satisfactory (4/5)</i>
Requirements and quality indicators are generally evident in applicable program areas with minor exceptions. A quality assurance plan is in place that demonstrates adequate controls to ensure integrity and accountability of program assets and data.
<i>Marginal (2/3)</i>
Requirements and/or quality indicators are missing or minimally evident in applicable program areas. Quality assurance is minimal resulting in inconsistencies in accountability and integrity of program assets and data.
<i>Unsatisfactory (0/1)</i>
Critical requirements are missing or minimally evident. Quality indicators are not achieved. The program lacks procedures and controls necessary to ensure compliance, quality, and data integrity.

Note: A glossary of acronyms is located at the end of the PAG Preamble.

6.0 OBJECTIVES

To ensure that students receive the support services and benefits necessary for successful participation in the Job Corps program.

To establish uniform systems to account for and document the participation and achievement of program participants.

6.1 STUDENT ATTENDANCE, LEAVE, AND ABSENCES

PURPOSE

- P1. To establish a uniform system to account for and document the whereabouts and participation of students during their Job Corps enrollment.
- P2. To establish criteria and systems to grant leave to students during their Job Corps enrollment.
- P3. To establish a uniform system to report and respond to unauthorized student absences.

REQUIREMENTS

R1. Student Attendance

Centers shall:

- a. Establish and implement a system that tracks and documents the whereabouts of each student, to include the following elements:
 1. Conduct a morning attendance check no later than one hour after a student's scheduled training day start time to establish present-for-duty status for all students. Documentation shall be authenticated by the signature of a staff member on the morning attendance check form.
 2. Maintain attendance records for all scheduled career development activities including on- and off-center academic and career technical training (CTT) classes, group activities, and off-center trips.
 3. Develop a procedure to document student arrivals and departures from the campus. Departure records shall indicate student destination, and estimated and actual time of return.
 4. Conduct, at a minimum, two bed checks each night for residential students.
 5. Develop a process for new enrollees, transfer students, nonresidential students, and students returning from off-center status, to sign in immediately upon their arrival on center.
- b. Report each student's duty status in the Center Information System (CIS) using the guidelines shown in Exhibit 6-1, Duty/Pay/Leave Status Chart, and the procedures stated in the CIS documentation.
- c. Document each pay/leave status change and the reason for such change in CIS.
- d. Maintain documentation of duty status for a minimum of three years.
- e. Establish and implement a system to encourage and promote regular attendance, and identify and remediate chronic absences, missed appointments, and tardiness.
- f. Monitor and document student attendance at off-center training activities, including work-based learning, off-center training (OCT), advanced career training (ACT), and other center-sponsored events.

Strategy:

- Review a sample of morning attendance-check reports to determine if the present-for-duty status is recorded for all students and reports contain staff signatures.
- Check the morning report from the residential area to ensure proper documentation of two nightly bed checks for residential students.
- Check the student sign-in process to ensure accurate, complete, and timely reporting for student arrivals and departures from the center. Determine if sign-ins are obtained for new arrivals, transfer students, nonresidential students, and students involved in off-center academic and CTT classes, group activities, and off-center trips.
- Review the standard operating procedure (SOP) pertaining to class attendance. Determine if the system addresses documentation of attendance, absence, and tardiness for on- and off-center classes, scheduled activities, WBL sites, and ACT. Determine if the process includes a system to address and remediate chronic absences, missed appointments, and tardiness.
- Review a sample of the attendance records to determine if all documentation is maintained for a minimum of three years. Ask the attendance clerk to explain the process of obtaining accurate and timely documentation from on- and off-center sites.
- Ask the Records Coordinator to demonstrate the system for recording information and verification documentation for pay/leave status changes in CIS and the filing system used to maintain hard-copy documentation, where necessary. Ask for an explanation of the storage and archive procedures for student leave and attendance records.

R2. Authorized Absences

Centers shall:

- a. Designate, in writing, staff members who are authorized to approve student leave and passes.
- b. Grant breaks and leave to students based on the criteria shown in Exhibit 6-1.

Note: Leave shall not be granted as a means of artificially postponing the student's separation.

- c. Approve leave or overnight passes for minor students only with the written consent of the minor's parent or legal guardian. Pass consents must include, at a minimum, information specified on the Job Corps Parental Consent Form (see the forms.jobcorps.org website).
- d. Document all leave requested by students on a CIS leave request form. Each automated leave request form shall include justification, as appropriate, for the type of leave requested.
- e. Authorize overnight passes with the following restrictions:
 1. Only for periods that do not conflict with scheduled classes, unless an accommodation for a class schedule adjustment is approved for a student with a disability.
 2. For minors, only to destinations authorized by written parental consent.
- f. Report and maintain electronic copies of leave requests in CIS according to procedures shown in the CIS documentation and retain any supporting hard-copy verification documentation in the student's personnel file. Verification obtained from phone calls will be documented on the CIS leave form and will include: name of contact person, title, phone number, date of contact, and name and address of the facility.

Strategy:

- Review a sample of leave requests in CIS.
 - For minors, check files for parental consent forms and authorized destinations.
 - Using Exhibit 6-1, review leave requests to determine if authorized criteria are met for each type of leave/pass granted.
 - Determine if verification from phone calls was properly documented in the CIS record.
- Using the sign-in/sign-out log, identify a sample of students who signed out for overnight passes. Review the CIS leave/pass records for those students to determine if the absence was authorized and properly documented.
- Review CIS and EIS reports to identify any students that are exceeding limits for AWOL days, PDOF, etc.
- Review the sign-in log to verify the student's actual time of return. You may have to ask the team members who are reviewing residential and security to look at the logs.
- Ask the student Records Coordinator to explain the sign in/out process for leaves and overnight passes.
- Review the SOPs pertaining to signing in/out for leaves and passes.

R3. Unauthorized Absences

Centers shall:

- a. Identify and report as AWOL any student who fails to return or report within three hours after the student’s scheduled training day start time. Report the AWOL within three hours of the student’s scheduled training day start time.
- b. If a student who was identified and reported as AWOL contacts the center with a credible and verifiable explanation, the student’s status may be changed to the appropriate leave category, effective the date of contact and receipt of documentation to support the status change.
- c. If a student who was identified and reported as AWOL returns to or reports to the center more than three hours after the student’s scheduled training day start time with no credible or verifiable explanation, the student remains in AWOL status for that day. The student may, however, participate in regularly scheduled activities for that day. Document in CIS case notes the student’s scheduled training day start time and actual report time, and include a printout of the Case Notes in the student’s personnel folder.
- d. Develop and implement procedures to locate and contact the student. Document retrieval efforts in CIS Case Notes and include a printout of the Case Notes in the student’s personnel folder.
- e. For minor students, contact the parents/guardian within 18 hours to inform them of the absence.
- f. Assist the student in arranging return transportation, at the student’s request and expense.
- g. Notify probation or parole officers, if applicable.

Strategy:

- Review a sample of sign-in logs to identify students who signed in more than three hours after the scheduled training day start time. For any students identified, check the student’s CIS file to determine if the student was reported as AWOL.
- In CIS, check a sample of records for students who show leave status changes. For those who were changed from AWOL status to another leave status, review the documentation to determine if the status change was appropriate. Determine if documentation supports the date of the status change.
- Review CIS Case Notes for students reported as AWOL to determine what AWOL retrieval efforts are documented. For minor students, check for documentation of parental notification.
- Review CIS for students with more than six consecutive training days in AWOL status. If the AWOL return date is the same as or one day after the leave return date, check the sign-in log to see if the student actually came back to the center, and check the Leave Request form in CIS to see if the reason for granting the leave was legitimate.

QUALITY INDICATORS

Q1. Students can articulate the importance of regular attendance and understand the consequences of absences.

Strategy:

- Interview students. What happens when they have perfect attendance, poor attendance, or AWOL days? Who discusses attendance with them? Does anything happen to their pay when they are absent/AWOL? How is attendance linked to future employability? What happens when a student misses an appointment or social skills training? How many scheduled health/counseling appointments are missed?

- Review the student handbook. Does it clearly describe the center attendance policy? Review the student behavior policy. Are sanctions for poor attendance clear? How is student attendance monitored when students participate in off-center activities?
- Are instructors on time for classes? Do they model good attendance skills? How are instructors taking attendance?
- Review attendance records. Are they complete? Do instructors take attendance every day? Do records indicate that interventions are used when students do not comply with the policy? Are interventions consistent with the center’s behavior management policies?
- Review the methods used to manage unauthorized absences. Are students appropriately reported as AWOL? What procedures does the center use to contact AWOL students? Are attempts documented? Are parents contacted? Parole and probation officers?
- Review CIS and EIS reports to identify any students who were exceeding the limits allowed for AWOL days, PDOF, etc.
- Review counselors’ documentation of AWOL follow-up contacts and documentation via CIS Case Notes.

Q2. Staff actions encourage, support, and enforce center attendance rules.

Strategy:

- Observe staff around the center. Do they emphasize accountability for time and attendance as a workplace skill? Do they ask students who are wandering to show a pass?
- Review classroom attendance policies and practices. Do the policies and practices reflect that of the workplace? How are the policies/practices reinforced?

- Review lunchtime protocol. Are there staff members in the cafeteria? Do they frequent the recreational areas, smoking areas, and learning resource areas to encourage prompt attendance for the next period?
- Interview students. What have their career technical instructors told them about workplace expectations for time and attendance? What about residential staff, counselors, and the center Standards Officer? What is the incentive system for attendance?

Q3. The center’s responsibility to safeguard minor students is achieved through granting leaves and passes in accordance with the limitations established by their parents/guardians.

Strategy:

- Ask students to tell you how a minor gets permission to get a pass.
- Determine which minor students were on pass the previous weekend; review their CIS files to verify the pass information. Ask to see records/logs regarding passes granted to minors. Are parental consent forms readily available?
- Review leave requests in CIS. Are they timely and do they include the items listed in PRH Exhibit 6-1?

6.2 STUDENT ALLOWANCES AND ALLOTMENTS

PURPOSE

- P1. To provide students with an allowance to defray the cost of incidental personal expenses while enrolled.
- P2. To establish a uniform system for issuing student allowances and transition payments earned through participation and achievement.
- P3. To provide a means for Job Corps students to defray the costs of dependent care during enrollment.

REQUIREMENTS

R1. Allowances

Centers shall:

- a. Issue pay allowances to students in accordance with the procedures specified in Exhibit 6-2.
- b. Ensure the physical security and financial accountability of payroll funds pending disbursement to students.
- c. Notify all students upon enrollment that they shall receive allowances as follows:
 - 1. Paid biweekly, in cash, for all days in paid status in amounts specified in Exhibit 6-2.
 - 2. For re-enrolled students, paid at base allowance levels as if they were newly enrolled (including students with prior fraudulent enrollments).
 - 3. For reinstated and re-established students, paid at their previous base allowance levels.
 - 4. Increases in base allowance levels paid as specified in Exhibit 6-2.
 - 5. Arrival pay in amounts as specified in Exhibit 6-2.
- d. Advise students that arrival pay, basic living allowance, transition payment, and other benefits are taxable and subject to withholding.
- e. Ensure that an income tax withholding form (W-4 form) is completed for each new enrollee as required by the tax code.
- f. Ensure that wage and tax statements (W-2 forms) received by the center from the Job Corps Data Center (JCDC) are immediately distributed to all enrolled students or forwarded directly to separated students.

Strategy:

- Review procedures pertaining to student allowance, allotments, and transition pay. Review the Student Handbook for clarification of the student financial system. Discuss with the

Records Coordinator how the center’s policies/procedures concerning allowance and allotments are communicated to the students.

- Review a sample of the student personnel files to determine if each contains signed documentation acknowledging receipt of arrival pay, W-4, and a CIS hard copy that supports that the center has been responsible in the maintenance and submission of accurate pay records. Review the Student Handbook for clarification of the student financial system. Ask the center’s finance department to provide a copy of the last corporate student payroll audit.

R2. Transition Payments

- a. Outreach and Admissions (OA) contractors shall notify all applicants upon enrollment, and centers shall notify all students upon arrival that they may become eligible, at the time of graduation, to receive a transition payment as designated in Exhibit 6-2, to assist financially in the transition into the workforce.
- b. At the time of separation, students shall be notified that they must provide forwarding information to ensure proper delivery of the transition payments.
- c. Students shall be notified that failure to cash a received transition payment check or failure to report non-receipt of a check within 12 months of the date of separation will result in forfeiture of the payment.
- d. Students who re-enroll and subsequently graduate from the program are entitled to receive transition payment for those programs completed while enrolled in Job Corps according to the requirements stated in Exhibit 6-2 and are also entitled to the transportation benefits as shown in Exhibit 6-3.
- e. Centers shall disburse partial transition payments to graduated students at time of departure as shown in Exhibit 6-2.
- f. Students separated with reinstatement rights are entitled to receive their transition payments at the time of separation or may have these monies held in their accounts pending final separation.

Strategy:

- Review the center’s procedures pertaining to transition pay. Review a sample of student personnel files verifying that the appropriate amount was given at time of separation.

- Confer with team member reviewing OA and Career Preparation Period (CPP) to determine that the information regarding transition pay has been satisfactorily explained. Confirm this through student interviews and focus groups.

Rationale for Rating:									

R3. Advances and General Indebtedness

- a. Centers may issue personal advances to students to help satisfy pressing financial obligation(s), such as court fine, bail bond, clothing, or other personal needs. Such advances shall not exceed \$250 at any given time. A personal advance may be issued only upon determination by the Center Director or designee that: practical alternatives are not available to the student; failure to satisfy the financial obligation would unduly interfere with the student’s successful enrollment in Job Corps; and there is a reasonable expectation that the student will be able to repay the advance. The Job Corps Data Center will promptly reimburse a center for its disbursement of allowable personal advances to students.
- b. Centers shall ensure that the following instances of student indebtedness to Job Corps are promptly and accurately recorded in CIS and also documented and maintained in the student’s personnel records. Items of student indebtedness that must be recorded in CIS include:
 - 1. Personal advance.
 - 2. The cost of government-furnished travel needed by the student to return to the center from AWOL.
 - 3. The cost of government-furnished travel based upon misrepresentation by the student.
 - 4. Student’s share of dependent’s allotment.
- c. Students shall repay their indebtedness to Job Corps. Repayment of indebtedness recorded in CIS shall be initiated through automatic payroll deductions from basic living allowances. In no case shall indebtedness deductions from basic living allowances exceed 50 percent of the basic living allowance. For students separating from the program prior to full reimbursement of indebtedness, the

outstanding balance shall be collected automatically from any transition payment monies available at the time of separation.

- d. Centers shall recover Other Student Indebtedness as specified below and in R3.c. above.
 - 1. Reimbursement for lost or damaged government property, with total indebtedness against a student not to exceed \$500. Student reimbursement for property loss or damage shall not exceed 50 percent per pay period as a deduction against student’s basic living allowance. Center operators shall apply such student reimbursements as offsets to be credited to the contract or interagency agreement and used to repair and replace damaged property or for other allowable costs. Any balance remaining due from the student at time of separation may be deducted from any transition payment due to the student. Thereafter, any remaining balance due shall be treated as uncollectible.
 - 2. Center-imposed disciplinary fines may be collected from the student after the student receives his or her biweekly living allowance, not to exceed \$5 per pay period. Such fines shall be paid to the Student Benefit Fund. Disciplinary fines may not be collected from any source other than a student’s biweekly living allowance.

Strategy:

- Check the Student Payroll Deduction list against the actual deduction. Finance should have its own record/journal to verify that the student received at least 50 percent of his or her net earnings after deductions, and that no deduction is more than \$5.
- Ask the individual responsible for the distribution of student payroll to explain the collection process. Be sure they address center fines, restitutions, and deduction receipts.
- Review several personnel files of students who had payroll deductions to determine if there is documentation for all deductions. The documentation may be kept in finance.
- Survey/interview students to determine if they understand the pay system and transition pay eligibility.

R4. Allotments

Centers shall initiate allotments for those students who desire to make a support payment for dependents in accordance with Exhibit 6-2 and the following criteria:

- a. An allotment may be initiated by a student who has a child(ren) who draws substantial support from the student. The student must provide proof of dependency.
- b. Allotment amounts shall be matched by the government at five times the amount of the allotment. Students may contribute \$5 or \$10 initially, and then increase the amount to \$15, if they choose, after a minimum of 57 paid days in the Job Corps program.
- c. Allotments shall be paid according to procedures specified in Exhibit 6-2.
- d. Students shall be advised that the basic living allowance and transition payment will be reduced by the amount of their designated allotment(s).

Strategy:

- Check the appropriate personnel files for required documentation.

QUALITY INDICATOR(S)

Q1. Students can explain the allowance system and the relationship of their achievements to the transition payment they may receive at separation.

Strategy:

- Review center procedures that provide information to students on the pay and leave policies. Interview students to see if they understand the policies. Review materials provided by the center during the Career Preparation Period. Do they explain the policies clearly?

- Interview instructors and CTS staff. Ask for their explanation of the pay, leave, and transition pay policies. Is it correct? How do they provide information to students on the system, especially transition pay?
- Interview students who are in the CPP, CDP, and CTS. Ask them to explain what they will be leaving with in terms of accomplishments and what transition services and pay they will receive when they leave the center. Did they receive information from their Admissions Counselor? Their instructors? CPP and CTS staff? Ask them what they are eligible for now and what they will be eligible for once they leave. Are they working toward graduate status partially as a result of the increased transition pay?
- Contact a number of students who left the center at a variety of different time periods. Find out if they have received their payments and how the process is working out.

6.4 STUDENT ENROLLMENTS, TRANSFERS, AND SEPARATIONS

PURPOSE

- P1. To establish a uniform system that enables centers to enroll new students and account for the transfer of students from one Job Corps center to another.
- P2. To establish criteria for the transfer of students between centers.
- P3. To establish a standard system that clearly defines the types of separation codes to be used for recordkeeping and data processing at the end of a student’s enrollment in the program.

REQUIREMENTS

R1. Enrollments

Centers shall:

- a. Accept for enrollment all assigned new or transfer students who arrive at the designated arrival point or who report to the center. Students who depart for the assigned center on government-furnished transportation and do not reach the center are not considered arrivals.
- b. Upon arrival, enroll the student by creating a student record in CIS in accordance with procedures in the CIS documentation. The enrollment date is the scheduled date of departure, provided that the student followed his or her travel itinerary. If the student intentionally changed the itinerary, the date of enrollment shall be the date of arrival on center.

Strategy:

- Compare the departure date on the student’s travel itinerary with the enrollment date.

R2. Transfers

Centers shall:

- a. By mutual agreement with another center and with notification of the Regional Office, arrange for the transfer of a student, including travel arrangements, if the student meets one or more of the following conditions:
 - 1. Is interested in and qualified for a training program not available at the current center.
 - 2. A change in environment or associations for the student will enhance the chances for graduation.
 - 3. Appeal of a disciplinary discharge is upheld and the Regional Director requests a transfer.
 - 4. Has medical needs that cannot be met at the current center and facilities and services are available at another center.
- b. The transferring center remains accountable for the student until the day he or she arrives at the receiving center.
- c. If student is receiving or has received medical services, including mental health, oral health, and TEAP, the transferring center will provide a legible or typed summary note on student’s current status, medication, and treatment compliance at least two weeks prior to student arrival. The student health record must arrive at the time of student arrival.
- d. Original centers must provide student files to the receiving center in the case of readmitted students.

- b. Request Regional Office approval to extend a student’s two-year enrollment limit for up to six months for the student to qualify for graduation. Maintain documentation of approval in the student’s personnel folder.

Strategy:

- ACT/AT students should have written documentation (form letter) that notes the date and reason for the Center Director granting the extension; all others must have DOL approval.

R4. Separations

- a. Centers shall establish an orderly system to process students separating from the Job Corps program that includes at a minimum:
 - 1. Update of all student accomplishments in CIS, including attainment of high school equivalency (HSE) and/or career technical completion.
 - 2. Documentation of the reasons for the student’s separation approved by the Center Director or designee, with the documentation filed in the student’s personnel file.
 - 3. Arrangements for transportation for the student to the appropriate destination.
 - 4. Notification of the parents/guardians of minor students regarding the student’s separation status, date, and scheduled time of arrival home. Such notification must be documented.
 - 5. A system to provide separating students with originals of any earned credentials, documentation of accomplishments, and contact information for Career Transition Specialists and support staff at the student’s destination.

6. Assignment of the student to a Career Transition Services provider in the locale to which the student will return.
 7. Written notification to the student of name, location, and phone number of Career Transition Services providers.
 8. Notification and transmission of student separation data to the Job Corps Data Center within two working days of the student's separation, in accordance with procedures in the CIS documentation.
 9. Verification and update of student address and alternate contacts.
- b. Each student's separation status and eligibility for Career Transition Services shall be determined automatically by CIS based upon data entered regarding the student's accomplishments while enrolled, and in accordance with criteria shown in Chapter 4, Section 4.2, and Eligibility for Services.
- c. Centers shall enter separation codes for students in accordance with the following definitions and separation codes listed in the CIS documentation:
1. Orderly Separation – Student has separated as scheduled and none of the following codes apply.
 2. Maximum Benefits Separation – Formal determination has been reached through the student performance evaluation process and approved by the Regional Director that the student has achieved as much benefit from the Job Corps program as his or her abilities will allow. See Appendix 608 (Maximum Benefits Separation).
 3. Resignation Separation – Student freely decides to quit Job Corps. Resignations must be accepted at any time a student requests unless he or she is pursuing it as a means of avoiding a disciplinary discharge. Students in AWOL status may not resign unless they return to center, or the student's duty status is changed from AWOL to another leave status in accordance with criteria enumerated in Exhibit 6-1.
 4. Disciplinary Separation – Student has committed a behavioral infraction or has an accumulation of behavioral infractions of such gravity that it disqualifies him or her from further enrollment in Job Corps.
 5. Medical Separation – Student is no longer able to participate in Job Corps due to medical, dental, or mental health reasons; documentation of the student's medical condition must be provided. If at the time of medical separation, the student is determined to be eligible for reinstatement once the medical condition is resolved, the student is then separated as a Medical Separation With Reinstatement rights (MSWR), and may be reinstated within 180 days.
 6. Withdrawal of Parental Consent Separation – The legally responsible parent/guardian withdraws permission/consent for enrollment of a minor student. The center must verify and document that the requesting parent has legal responsibility for the student.

7. Death Separation – Student dies while enrolled in Job Corps.
8. Fraudulent Enrollment Separation – A determination has been reached, with the approval of the Regional Director or designee, that the student was ineligible for enrollment or that he or she became enrolled as the result of a significant screening error.
9. Absent Without Leave (AWOL) Separation – A student is in AWOL status in excess of six consecutive training days, or 12 non-consecutive training days in a six-month period. The effective date of separation is at three hours after the student's scheduled training day start time on the seventh or 13th day of absence, as applicable. The summer and winter breaks are considered paid non-training days. For students in AWOL status at the onset of the break, the count of AWOL days will be suspended and will resume on the first training day following the break. **Note:** If a student in AWOL status for six consecutive training days or 12 non-consecutive training days in a six-month period, reports on the seventh or 13th day (as applicable) within three hours of their scheduled training day start time, the student will not be separated as AWOL.
10. Administrative Separation With Reinstatement (ASWR) – For temporary or anticipated long-term center closure when designated by the Regional or National Office, and for students who are called to active military duty and must temporarily suspend their participation in Job Corps.
11. Withdraw HIPAA Consent – If the student or parent/legal guardian of a minor student revokes the HIPAA consent.

Strategy:

- Review the SOP pertaining to student separations. Compare the date on the CIS termination edit sheet to the actual separation date to determine if they are the same. Review the personnel files of separated students to determine if correct codes were used, adequate documentation to justify the separation is available, copies of all earned credentials and accomplishments were given to the student, and the CTS contractor was contacted. Review the student's personnel file to determine if there is documentation that identifies the parent/guardian and that they have legal responsibility for the student.
- Compare the name, and if possible the signature, of the requesting parent to the name/signature on the ETA 6-52 and Parental Consent form.

R5. Re-enrollments

Centers shall effect reinstatements or re-establishments of students according to the following:

- a. Reinstatement shall be used to expedite the return to active participation of a student who was separated for medical reasons with reinstatement rights (MSWR) or administrative separation with reinstatement rights (ASWR). Reinstatement is a resumption of the previous enrollment, not a new enrollment. Reinstatement is effective the date the student physically reports back to the center. To qualify for reinstatement under MSWR, the student must:

- 1. Return within 180 days from separation date.
- 2. Provide documentation showing resolution of the medical condition (including medical, mental health, oral health, alcohol, or drug abuse conditions) and ability to participate in the program.

To qualify for reinstatement under ASWR, the student must:

- 1. Return within 12 months from separation date.
- 2. Provide appropriate military documentation, if the separation reason was a call to active duty.

- b. Re-establishment shall be used, with approval from the Regional Office, to return to active participation a student who:

- 1. Received disciplinary discharges that are overturned by the Regional Office.
- 2. Was separated due to arrest for a felony or misdemeanor charge and was later exonerated.
- 3. Was separated because of clerical error.

Re-establishment is a resumption of the previous enrollment, not a new enrollment. Re-establishment is effective the date the student physically reports back to the center and must be documented in the student’s personnel file. For re-

established students who were separated because of clerical errors, the student will be retroactively placed on paid leave under the Not Present for Duty – Separation in Error leave type as indicated in Exhibit 6-1. For re-established students who were separated because of disciplinary charges or due to an arrest, the student will be retroactively placed in a Not Present for Duty – Disciplinary Overturn leave type, in either paid or unpaid status, as determined by the Regional Office.

Strategy:

- Review re-enrollment records to ensure proper procedures were followed.

QUALITY INDICATOR

Q1. Student separation transactions are processed in a timely and accurate manner.

Strategy:

- Obtain a listing of students who are separating during the week. Get a copy of the center’s operating procedure for separation. Select a few students and follow the separation process to see if procedures, time frames, and data recordings are accurate and timely.
- Interview students who are completing and/or those who separated/completed within the past three months to determine if the center identified the students’ transitional needs and assisted in providing strategies to meet identified needs.
- Check the center’s operating procedures to determine what copies of documents students are to receive when they leave; ask each department how they provide the documents.
- Review the files of students separated as Maximum Benefits Separation. Do records indicate the student achieved the maximum level in training that Job Corps could provide in both career technical training and education? Did the center make every effort to support the student in completing their training?

6.5 STUDENT CLOTHING

PURPOSE

- P1. To ensure that students are adequately clothed to participate in the Job Corps program.
- P2. To assist students in building a wardrobe that will be suitable for their chosen career fields.

REQUIREMENTS

R1. Student Clothing

Centers shall:

- a. Issue, at no cost to the student, uniforms, specialized and safety equipment, and clothing necessary for a student to participate in career technical training. Such clothing and equipment shall meet safety and health requirements and industry standards so that the student is able to function comfortably and effectively in all weather conditions.
- b. Issue, but retain as government property, such clothing and safety equipment that is determined to be serviceable and that can be sanitized.
- c. Issue, for retention by the student, safety shoes and other items that cannot be sanitized.

Strategy:

- Review procedures. Do they comply with PRH requirements? Check student’s file to ensure the student is receiving adequate allotment.
- Determine the cost to students for CTT uniforms, and the percentage paid by the center. Compare this information to the SOP.

R2. Cash Clothing Allowance

Centers shall establish a system to provide clothing allowances for students in the amounts indicated and according to the time schedule shown below:

Time Period	Amount
Between 30 and 90 days	\$100
Between 90 and 270 days	\$100 additional
Between 270 and 365 days	\$117 additional
TOTAL FOR YEAR 1	\$317
Between 14 and 18 months	\$103 additional
TOTAL FOR YEAR 2	\$103
Between 26 and 30 months	\$103 additional
TOTAL FOR YEAR 3	\$103

The first cash clothing allowance for students shall be used by centers, rather than provided directly to students, to purchase or supply to students the uniform(s) required for student participation in academic and career technical training. Subsequent cash clothing allowances for students, after the initial one, shall be given to the students in the form of cash or coupons for shopping off center for appropriate clothing.

- a. Students transferred to advanced programs before the end of the first year of enrollment shall receive the balance of the first year cash clothing allowance prior to transfer. Students transferred after the start of the second year of enrollment shall receive the balance of the second year cash clothing allowance prior to transfer.
- b. For students reinstated less than one year after the prior separation, the amount of clothing allowance previously provided shall be subtracted from the maximum allowance authorized during the current enrollment. Students reinstated after one year shall be considered new enrollees for clothing allowance purposes.

Strategy:

- Review procedures pertaining to the issuing of cash clothing allowances. Review the CIS for documentation of cash clothing allowances.

R4. Dress Code/Clothing Selection

Centers shall develop a Student Dress Code that reflects center policy regarding appropriate dress as well as the Job Corps Student Dress Standards. Outreach and Admissions staff must include each center’s specific dress code and use of uniforms as part of their presentation to applicants on Job Corps policies and requirements. The dress code should be published in each center’s Student Handbook and include the following minimum expectations for general student, academic classroom, career technical classroom, and off-center dress:

- a. General Student Dress Standards
 - 1. Pants must be appropriate in size and worn at the waist at all times.
 - 2. Clothing depicting violent or nude scenes, and clothing bearing profanity, references to drugs and alcohol, or otherwise provocative or inappropriate slogans, will not be permitted at any time.
- b. Academic Classroom Dress Standards
 - 1. To allow students the opportunity to use the clothing in real work situations, the academic uniform should be without a center logo, a Job Corps logo, or any type of printing.
 - 2. Shoes are to be neat, clean, laced and tied, and free of graffiti or markings.

- c. Career Technical Skills Classroom Dress Standards
1. If career technical skills uniforms are issued, they should always be worn during career technical class hours.
 2. Uniforms will be neat and clean, without tears or holes, and free from markings.
 3. Pants will be belted, properly fastened, and worn at the waist.
 4. Clothing must be appropriate in size and worn at the proper body position. No undergarments of any kind may be visible.
 5. Shoes will be issued with regard to safety issues. Where safety shoes are not required, the choice of shoes will be a standard that would appear in the workplace for that particular vocation. All footwear will be clean, polished, tied, and free of graffiti or markings.
 6. For business vocations (e.g., business clerical, accounting technician, medical records assistant, computer repair, retail sales), either the academic outfit or career technical uniform (if issued) may be worn. Acceptable vocational (business) attire includes: business dresses (knee length), dress pants (worn at the waist), business shirts, pant suits, or skirts (knee length). Shoes are to be clean, polished and tied, and free of graffiti or markings.

d. Off-Center Activities Dress Standards

1. Students are expected to represent themselves as models and representatives of the center, the Job Corps program, and the Department of Labor. All elements of the dress standards will apply (see those described in R4.a–c above).

Centers shall provide guidance to students regarding appropriate types of clothing for the workplace in their chosen fields, and centers shall ensure that purchases made by students with their cash clothing allowance are for interview- and work-appropriate clothing.

Strategy:

- Review the Student Handbook description of the dress code to determine if it complies with PRH standards. Observe student attire. Do standards appear to be uniformly enforced? Does staff provide guidance to students? How?

Strategy:

- Determine if there are ETA 6-105s (or like documents) signed by the student, along with the appropriate sales receipts available in the student personnel folder for each clothing issue.

Strategy:

- Review the student personnel file to determine if initial clothing inventory forms are present.
- Ask residential staff to explain the policy for inventory of personal effects. Does the residential staff update the inventory after each clothing issue or purchase?

6.8 STUDENT CIVIL RIGHTS, INCLUDING RELIGIOUS RIGHTS, AND LEGAL SERVICES

PURPOSE

- P1. To ensure the protection of students' civil rights, including religious rights, and promote an environment free from discrimination and harassment.
- P2. To provide students with access to legal assistance.
- P3. To provide students with the opportunity to exercise their religious rights.

REQUIREMENTS

R1. Student Rights

- a. Centers and Outreach and Admissions/Career Transition Services (OA/CTS) contractors shall inform all applicants and students of their rights and protections regarding civil rights, including disability accommodations (see R2 below), sexual harassment (see R3 below), religious rights (see R4 below), and nondiscrimination (see Appendix 602). At a minimum, centers and contractors must provide applicants and students with the Equal Opportunity Notice set forth in 29 CFR 37.30 (see Exhibit 6-11). The Notice must be included in each student's file, and provided in alternate formats upon request to applicants and students with visual impairments. Where an alternate-format Notice has been provided, a record that such a Notice has been given must also be made a part of the student's file.
- b. Staff Training
Job Corps centers must ensure that all Job Corps center staff are fully apprised of, and annually trained in, requirements regarding civil rights, including religious rights. See Chapter 5, Exhibit 5.4.

Strategy:

- Is there an Equal Employment Opportunity (EEO) program for students? Interview students to determine if they are aware of the program.
- Identify the student EEO Coordinator on center.
- Determine if students have received training on the EEO program and are aware of the EEO Coordinator's identity.

R2. Disability Accommodations

a. Accommodations for Applicants and Students With Disabilities

All applicants and students with disabilities must be provided the opportunity to request and receive reasonable accommodation in accordance with Section 188 of the Workforce Investment Act of 1998, Section 504 of the Rehabilitation Act of 1973, and their implementing regulations. Guidelines for providing reasonable accommodation are outlined in Appendix 605 and on the Job Corps Disability website.

b. Definition of Disability

For accommodation purposes, a disability is defined as a physical or mental impairment that substantially limits one or more of a person’s major life activities.² Appendix 605 contains information explaining this definition, and related requirements, in detail. Whether a particular person has an impairment that satisfies this definition, and whether a specific accommodation is appropriate for a particular person, must be determined on a case-by-case basis by someone with appropriate expertise in the field.

Strategy:

- Interview staff to determine if they are aware of responsibilities to provide accommodations.

² Applicants and students who have a record of a disability, or who are regarded as having a disability, are protected from discrimination by federal disability nondiscrimination laws. However, the laws do not entitle these people to the positive actions, such as reasonable accommodations, that must be provided to applicants and students with actual, current disabilities.

R4. *Religious Activities / Treatment of Religious Organizations*

Job Corps places a high value on the right of students in Job Corps to exercise their religious freedom. As detailed in R4.a-h, below, Job Corps centers are required to allow students to engage in religious activities on center.

In implementing this requirement, Job Corps centers must not discriminate among students on the basis of religion, religious belief, or lack thereof. Therefore, Job Corps centers must remain neutral in their treatment of various religions; must not require or, based on religion, prohibit participation by any student in religious activities; and must

neither encourage students in, nor discourage students from, belief in religion generally, or in any particular religion.

a. Respect for Religious Rights

Job Corps centers must ensure that each student has the right to worship, or not worship, as he or she chooses.

b. Religious Activities Permitted on Center

1. Job Corps centers must permit students to express their views related to religion and to exercise their right to religious freedom. Job Corps centers must permit residents to engage in voluntary religious activities, including holding religious services on center. Reasonable time, place, and manner restrictions may be imposed, however.

2. Job Corps centers must inform students about their rights to engage in religious activities on center. To the extent applicable, centers must also develop, and inform students about, procedures for scheduling (and monitoring, where appropriate) religious activities to ensure equitable allocation of space and other center resources. In preparing the calendar of recreational events and activities required by Chapter 3, Section 3.21 (Recreational and Leisure Time Activities), R1.a, centers must include those on-center religious services that are open to all students and/or supervised by Job Corps staff.

c. Religious Accommodations

1. Centers must develop, and inform students how to access, procedures for requesting religious accommodations (for example, special diet or exemption from center activities or rules for religious reasons).

2. If a center denies a request for a religious accommodation, the center must:

(a) Explain to the student the reason for the denial, and any appeal rights and procedures; and

(b) Create and keep a record describing the request, indicating that the request was denied, and explaining the reason for the denial.

d. Transportation to Local Religious Facilities

Job Corps centers may provide students with transportation to and from local religious facilities. The decision whether to provide transportation to a particular facility must not be based on religion. However, Job Corps centers may impose reasonable time, place, and manner restrictions. For example, a Job Corps center may decide that it will provide transportation only to facilities that are located within a particular distance from the center. If Job Corps centers choose to provide transportation to religious facilities, these centers must develop, and inform students about, procedures for requesting such transportation. Note: Providing such transportation does not relieve Job Corps centers of the obligation

in R4.b above to permit students to engage in voluntary religious activities on center.

e. No Discrimination on the Basis of Religion

In providing Job Corps services, Job Corps centers must not discriminate against or favor a current or prospective student on the basis of religion or religious belief or lack thereof. This requirement does not preclude Job Corps centers from accommodating religion or religious belief (e.g., permitting exemptions from certain Job Corps center rules for students based on religious reasons) nor does it require Job Corps centers to give similar treatment or exemptions to students who desire “accommodations” for reasons unrelated to religion or disability (see R2 above for information about accommodating students with disabilities). Job Corps centers are permitted to supervise on-center religious activities as appropriate to maintain good order and discipline, so long as Job Corps centers do not rely upon the religious (or non-religious) nature of an activity, or student gathering, in choosing which activities or gatherings to supervise.

f. Prohibited Activities

The following activities are always prohibited on center, regardless of any religious motivation.

1. Acts of violence
2. Animal sacrifice
3. Performance of curses, hexes, or other rituals or actions intended to harm others
4. Public nudity
5. Acts of self-mutilation or infliction of bodily harm
6. Use or display of weapons
7. Exclusion by race, ethnicity, color, or national origin
8. Sexual acts
9. Use, possession, or sale of controlled substances as defined under the Controlled Substances Act; being under the influence of, using, or possessing any narcotic drugs, hallucinogens, marijuana, barbiturates, or amphetamines; operating a motor vehicle while under the influence of alcoholic beverages; and being under the influence of or using alcoholic beverages
10. Possession of unauthorized goods, as defined in the Job Corps regulations at 20 CFR 670.120, which include:
 - (a) Firearms and ammunition
 - (b) Explosives and incendiaries
 - (c) Knives with blades longer than two inches
 - (d) Homemade weapons

- (e) All other weapons and instruments used primarily to inflict personal injury
- (f) Stolen property
- (g) Drugs, including alcohol, marijuana, depressants, stimulants, hallucinogens, tranquilizers, and drug paraphernalia except for drugs and/or paraphernalia that are prescribed for medical reasons
- (h) Any other goods prohibited by a center operator in a Student Handbook

11. Coercion or harassment of anyone based on religion or lack thereof

g. When Federal Support May Be Used to Support Inherently Religious Activity

Except as described in this PRH, Job Corps centers must not use direct federal support for inherently religious activities such as worship, religious instruction, or proselytization.

At Job Corps facilities where there is such a degree of government control over the program environment that religious exercise would be significantly burdened absent affirmative steps by Job Corps operators (such as at isolated Job Corps facilities), program officials may take affirmative steps to ensure that program beneficiaries are able to exercise their religious freedom, including the use of direct federal support to provide access to religious services and activities where necessary to ensure the opportunity for exercise of religious rights. Indirect federal support – e.g., support received due to the exercise of genuine and independent choice by a Job Corps student – is not subject to these restrictions on providing Department of Labor (DOL) support to inherently religious activities.

Note: Center supervision of students engaged in religious activities and gatherings, to the extent such supervision occurs in a manner consistent with center supervision of students engaged in nonreligious activities and gatherings, does not constitute federal “support” for religious activities.

h. Religious Organizations Must Be Treated on a Basis Equal to That of Other Organizations

Religious organizations are eligible on the same basis as any other organization to participate in Job Corps programs or activities. Job Corps centers must not discriminate against or favor an organization on the basis of the organization’s religious character or affiliation or lack thereof. Religious organizations that participate in Job Corps programs must be permitted to maintain their religious identity. Religious organizations are permitted to use their facilities to provide services to Job Corps without removing or altering religious art, icons, scriptures, or other religious symbols from those facilities.

R5. Applicant/Student Complaints

Job Corps centers must develop and implement systems to respond to complaints of discriminatory treatment of students or applicants, or violation of civil or religious rights, which includes the following features:

- a. A designated, trained Equal Opportunity Officer who will:
 - 1. Assist students and applicants in filing complaints with the center or with the DOL Civil Rights Center (CRC).
 - 2. Attempt to informally resolve complaints filed with the Job Corps center.
 - 3. Document all complaints filed with the Job Corps center (including keeping a complaint log) and all actions taken in connection with complaints.
 - 4. Provide center-wide training and publicity.
 - 5. Ensure that student complainants are not subjected to retaliation or other adverse treatment.
 - 6. Provide written notice of students' right to file complaints, and written guidance to assist students in filing complaints.
 - 7. Advise students of appeal rights and procedures.
 - 8. Serve as the center's liaison with CRC.
 - 9. Monitor and investigate the Job Corps center's activities to make sure the center is complying with its nondiscrimination and equal opportunity obligations.
 - 10. Report directly to the appropriate official about equal opportunity matters.
 - 11. Undergo training to maintain competency.
- b. Complaint resolution procedures as specified in Appendix 602 (Civil Rights and Nondiscrimination).

QUALITY INDICATORS

Q1. The environment is free of harassment, intimidation, and discrimination.

Strategy:

- Interview students regarding harassment, intimidation, and discrimination. Have they seen any behavior of this type? Do they feel comfortable on center regarding these issues? Do they think students leave because of harassment, intimidation, and discrimination?
- Determine if the center has a designated EEO Officer as required by the PRH. Is his or her picture posted? Are students and staff aware of who fulfills that role and of the procedures to file a complaint?
- Review the center operating procedure for civil rights, nondiscrimination, and harassment. Ensure that it meets the criteria in PRH Appendix 602. Review any EEO complaints and ensure the SOP was followed. Interview the center EEO Officer and ask for documentation of outcomes of any complaints in the past year. Determine if the complaints have been adequately resolved. Ask about any mediation efforts the center provides to intervene in harassment/EEO situations prior to complaints being filed.
- Review center efforts to provide education on sexual harassment, appropriate behavior, and the consequences to students. Are the efforts adequate? Is the content clear? Review the behavior management policy. Is it clear and firm in addressing harassment and discrimination? Are the sanctions appropriate and equally applied to male and female students?
- Interview the staff in charge of behavior management to see how he or she feels about these issues on center.
- Review behavioral files and incident reports for issues and actions that have been taken.
- Conduct interviews/focus groups with counseling staff and other staff and students to find out how they feel about this area. Do they keep track of issues such as these? Have they noticed any trends regarding early separations, etc.?

The center physician or designee shall report the student's HIV infection to the state and/or local health department, which will be responsible for contact notification both on and off center.
 4. **Students Off Center.** If a student is not on center (e.g., AWOL, on leave) when his or her positive or indeterminate test result is received by the center, the Center Director or designee must make every attempt to contact and inform the student of his or her result. The health department at the student's location shall be used to assist with the task of informing students who are no longer on center.
 5. Document post-test informing and counseling activities in the student's health record, including attempts to contact students not on center (d.4 above).

physician in the student’s health record and include an explanation as to why the decision was made.

- b. If a student refuses to submit to **HIV testing**, the center may defer it until after specialized counseling regarding HIV infection and AIDS. Such counseling should include the benefits of early diagnosis and the efficacy of available treatments. If two weeks after such counseling the student continues to refuse the HIV test, a disciplinary separation may be necessary. The center physician may waive the HIV test if in his or her opinion there is sufficient justification. The center shall immediately comply with the procedures set forth in the Employment Standards Administration regulations at 20 CFR Chapter 1. The CA form portion of the SHIMS form and a copy of the ETA Form 6-61 (Notice of Student Separation) shall be filed with the OWCP district office only when the injury or illness results in separation and consent is received from the National Office. When separation does not occur, such forms shall be maintained in the student’s health record.

- c. If the student dies while in Job Corps, the center shall:
 - 1. Inform the next of kin of any possible FECA benefits if death occurred during the performance of duty. If the student did not die during the performance of duty, the government shall pay only for expenses involved in the preparation and transportation of the remains to a mortuary in the area selected by the next of kin, within the United States and its possessions.

R2. Applicant File Review Process

- a. To ensure equal opportunity for all applicants, including those with disabilities, all centers are required to follow the same applicant file review process. This process will be described in an SOP (See Exhibit 5-1) that describes in detail how an applicant file is processed, from the time it is received from the admissions contractor, until the applicant is accepted into the program and assigned a start date, or recommended for denial and a final disposition is made by the Regional Office.

- b. The applicant’s file must be processed within 30 calendar days from receipt by center. If the center reasonably can substantiate needing longer than 30 days to complete the file review process, then an extension may be discussed with the respective Regional Office Project Manager.
- c. While each center file review procedure may have unique aspects, all center procedures must incorporate the following requirements:
 - Location where files are sent and logged in upon arrival to the center and the method of tracking the movement of the file to include an explanation of the center’s disposition of the file.
 - Responsibilities and roles of applicant file review team members to include the Health and Wellness Manager, the center clinicians, and the center’s disability coordinator(s) which usually will include the center’s Health and Wellness Manager.
 - Procedures for reviewing an applicant file to include the acceptable reasons for recommending denial of an application.
 - Procedures for reviewing and determining reasonable accommodation.
 - Procedures for processing application withdrawals both before and after submitting a file for regional review.
 - Timeframe the center establishes to complete the file review process to ensure it meets the PRH required timeframe of 30 calendar days.

R3. Reasonable Accommodation Process

- a. An applicant or student with a disability may request and receive reasonable accommodation to participate in the Job Corps program at any time during the admissions process or enrollment. Each center will have a process for ensuring applicants/students with disabilities who request accommodation, indicate they may need accommodation, and/or provide documentation of a disability are engaged in an interactive process to consider/determine the functional limitations resulting from their disability and the potential accommodations that would allow them to participate in the Job Corps program. An SOP describing this process is required (See Exhibit 5-1) and it and the center’s reasonable accommodation process will include all the components outlined in Appendix 605.
- b. The DCs will coordinate the center’s reasonable accommodation process.
- c. During Career Transition Readiness all students will receive information about workers rights and responsibilities including reasonable accommodation in the workplace (see Section 3.21, R2, g).

R8. Readily Achievable Barrier Removal

Each center must consider readily achievable barrier removal—things center staff can do to make the center more accessible that are easily accomplishable and able to be carried out without much difficulty or expense. To accomplish this, centers must:

- a. Determine potential improvements to the physical accessibility (e.g., ramps, elevators, adjustable work stations, restrooms, etc.) of the center, by completing the ADA Checklist for Readily Achievable Barrier Removal (a link to this checklist is available on the Job Corps Disability website).
- b. Determine potential improvements to the programmatic accessibility (e.g., communication options such as audio tapes, large print, etc.; center’s public materials contain a statement that reflects a commitment to providing reasonable accommodations for all of their programs, etc.) of the center, by completing the program Center Accessibility Tool (this document is available on the Job Corps Disability website).
- c. Develop an accessibility plan with priorities and next steps based on the results of the ADA Checklist for Readily Achievable Barrier Removal and Center Accessibility Tool. The plan will be used as a tool for center staff to think about the simple things that can be done to ensure that students with disabilities can access/participate in the program on an equal basis with students without disabilities. This plan is not intended to be used to determine compliance for new construction or facilities being altered and is separate from the center’s facility survey requirement in PRH 5:5.10.
- d. The accessibility plan will be reviewed and updated annually by June 30th (see Exhibit 5-2).
- e. The safety and facilities maintenance staff should play a primary role in completing the plan with support from managers in all areas.
