DIRECTIVE:	JOB CORPS PROGRAM INSTRUCTION NO. 01-29
-------------------	--

To: ALL JOB CORPS NATIONAL OFFICE SENIOR STAFF
ALL JOB CORPS REGIONAL DIRECTORS
ALL JOB CORPS CENTER DIRECTORS
ALL JOB CORPS CENTER OPERATORS
ALL NATIONAL TRAINING AND SUPPORT CONTRACTORS
ALL OUTREACH, ADMISSIONS AND CTS CONTRACTORS

From: *Rec* RICHARD C. TRIGG
National Director
Office of Job Corps *[Signature]*

Subject: Job Corps' Initiative to Reduce Petroleum Fuel Consumption

1. Purpose. To establish program-wide guidelines and "center-specific" plans of action designed to reduce Job Corps fleet petroleum fuel consumption by 20 percent by FY 2005.

2. Background. Executive Order 13149, dated April 20, 2000, directs federal agencies to reduce petroleum fuel consumption by 20 percent by FY 2005 through improvements in fleet fuel efficiency, and the use of alternative fuel vehicles (AFVs) and alternative fuels (AFs). The Job Corps National Office has developed a broad strategy for accomplishing this objective. Using the General Services Administration's (GSA) Vehicle Inventory Report, dated March 5, 2002, we have established an approximate number of vehicles leased by center operators and an estimated baseline for fuel consumption for FY 2001. Using this information as a baseline, our strategy includes:

- Reducing the number of underutilized vehicles and the mileage that they accumulate
- Replacing high fuel consumption vehicles with fuel efficient vehicles
- Reducing the number of leased vehicles utilized by OA/CTS providers.

3. Action. Centers are requested to review and update their portion of the information provided on the Excel spreadsheet version of the attached GSA Vehicle Inventory Report as follows:

- Verify the list for completeness and accuracy
- Note in the comments column vehicles that are no longer in your inventory
- Add a row of data to identify each new vehicle that has been added to your inventory
- Provide additional information for each vehicle in the appropriate columns as follows:
 - Average monthly mileage per vehicle during the period beginning July 1, 2001 and ending April 30, 2002
 - Current mileage per vehicle
 - Primary use of each vehicle, i.e., OA/CTS, student transportation, etc.
 - The current monthly lease cost for each vehicle

Completed Vehicle Inventory Report information for each center should be extracted from the report and forwarded by May 17, 2002 via email as an Excel or Quattro Pro spreadsheet attachment to pmilam@doleta.gov. Please do not include data on other centers with your submission.

4. Expiration Date. Until superseded.

5. Inquiries. Inquiries should be directed to Paul Milam at (202) 693-3119, Pmilam@doleta.gov or Marsha Fitzhugh at (202) 693-3099, Mfitzhugh@doleta.gov.

Attachment

JOB CORPS FLEET MANAGEMENT UPDATE

GENERAL INSTRUCTIONS:

Please do not change the spreadsheet format.

For convenience, we have provided the complete Fleet Inventory Report to each center.

Please delete information pertaining to other centers using one of the following options.

Option 1: Highlight and delete rows that do not pertain to your center.

Option 2: Highlight, copy, and paste your information onto the "YOUR CENTER" sheet attached to this spreadsheet book.

Once you have deleted other centers' information, update your center's information and email the spreadsheet to pmilam@doleta.gov.
