SUBJECT: 2003 Donald A. Buchannon Scholarship Fund Award, Call for Applications

1. Purpose. To announce the availability of the Donald A. Buchannon Scholarship Fund Award, and describe how eligible current and former Job Corps students may compete for award of the **annual \$2,500 scholarship.**
2. Background. The Donald A. Buchannon Scholarship Fund was established to commemorate the memory of Don Buchannon, who died in 1989 after 25 years of dedicated service to the Job Corps program and its students.

In 1964, Don began his career in Job Corps as a counselor at the Grants Pass Job Corps Center in Grants Pass, Oregon. His subsequent experiences include serving as Project Manager; Deputy Regional Director, and Regional Director in both the Seattle and San Francisco regions; a 2-year assignment at the National Office of Job Corps; and numerous other details and special assignments, as needed by the National Director of Job Corps. Don was a valued member of the Job Corps family.

As a tribute to Don's firm belief in the value of education, a scholarship fund was established to remember his many contributions to the Job Corps program. A non-profit 501(c)3 organization has been chartered and established in the State of Washington under the title of "The Donald A. Buchannon Scholarship Fund." The fund is maintained in a bank account under the control of our Seattle Regional Office. The account balance as of December 31, 2002 was \$26,565.80. The fund receives income through tax-deductible donations (under IRS guidelines) and interest earned on the account balance.

3. Contributions for Student Scholarships. Tax-deductible contributions to the fund may be made by sending a check/money order to the following address:

Donald A. Buchannon Scholarship Fund
c/o U.S. Department of Labor, ETA
Office of Youth Programs and Job Corps
1111 Third Avenue, Suite 800
Seattle, Washington 98101-3212

Checks and money orders should be made out to the “Donald A. Buchannon Scholarship Fund.” Contributions will be acknowledged in writing, and a letter will be sent to the family of the person in whose name the donation is made.

4. Eligibility for Scholarships. An annual \$2,500 scholarship is awarded to a deserving **current or former** Job Corps student who displays exemplary performance while in Job Corps and possesses the ability and motivation to benefit from further education. Applicants must meet the following criteria:

a. Are currently enrolled in the Job Corps Advanced Career Training (ACT) program, desire to continue his/her academic training, and are nearing the 3-year enrollment limitation,
