JACS SCHOLARSHIP AWARD

Background Information

The JACS Scholarship Program was launched in 1986 with the Jerome D. Schaller Scholarship Award, which was established to commemorate the life of Jerome D. Schaller, who had served as the President of the Joint Action in Community Service, Inc. for twelve years at

the time of his passing. In 1993, the name of the award was changed to the JACS Scholarship Award, in order to more appropriately reflect the various donors contributing to this scholarship fund.

Although the number of \$1,000 scholarships awarded will vary from year to year, it is customary for JACS to designate one recipient as the Jerome D. Schaller Scholar each year. The recipient(s) of this annual award is/are announced in the Spring. The Scholarship is paid directly to each student's educational institution and is to be used specifically for tuition, books, school supplies, and/or campus lodging.
