DOL Non-Green Purchase Justification

Purpose: In accordance with the DOL Green Procurement Program, this form is to be used by a purchase request originator to document and justify a decision not to request a recycled, energy efficient, or EPEAT qualified item. A copy of this completed form should be filed in the procurement file.

Requisition/Purchase Order/Order Number: Item(s) Description: Section B: EPA Designated Item – Recovered/Recycled Materials (FAR 23.405(c), http://www.epa.gov/cpg/products.htm) EPA designated guideline items are included in the specifications; however, compliance with EPA standards is not attainable. I have determined that the EPA guidelines were considered and determined inapplicable based on the following: Item(s) is not available within a reasonable period of time. Office Need Date: Date Available: Item(s) fails to meet a performance standard in the specifications. Describe the standard and why it is needed: Describe how the guideline item fails to meet the standard: Item(s) is not available from two or more sources. Market research was performed by calling (insert number) vendors, but only (enter name) was able to supply the item. Item(s) is only available at an unreasonable price (i.e., recovered/recycled item is more expensive). Price of recovered/recycled item: Price of non-recovered/recycled item:	Section A	: Purchase Information
Section B: EPA Designated Item – Recovered/Recycled Materials (FAR 23.405(c), http://www.epa.gov/cpg/products.htm) EPA designated guideline items are included in the specifications; however, compliance with EPA standards is not attainable. DOL Non-Green Purchase Justification (cont.)

Section C: ENERGY STAR® and Federal Energy Management Program (FEMP) Qualified Items (Energy Policy Act of 2005 (EPAct), P.L. 109-58), http://www.energystar.gov/ http://www.eere.energy.gov/femp/ ENERGY STAR® qualified or FEMP designated items are included in the specifications; however, compliance with DOE/EPA standards is not attainable. I have determined that the EPA guidelines were considered and determined inapplicable, based on the following: No ENERGY STAR® qualified or FEMP designated product is reasonably available that meets the functional requirements of the agency; or An ENERGY STAR® qualified or FEMP designated product is not cost effective over the life of the product, taking energy cost savings into account. Agency Head Signature Agency Name Date Section D: EPEAT registered IT Equipment (computers, laptops, and monitors), (Energy Policy Act of 2005, P.L. 109-58), http://www.epeat.net/ EPEAT registered IT Equipment is included in the specifications; however, compliance with DOL Policy level (bronze, silver, or gold) is not attainable. I have determined that EPEAT registered IT Equipment was considered and determined inapplicable, based on the following: Item(s) is not available within a reasonable period of time. Office Need Date: Date Available: Item(s) fails to meet a performance standard in the specifications. Describe the standard and why it is needed (attach additional information as required): Describe how the guideline item fails to meet the standard: Item(s) is not available from two or more sources. Market research was performed by calling _____ (insert number) vendors, but only ______ (enter name) was able to supply the item. Item is only available at an unreasonable price (i.e., EPEAT item meeting current DOL policy as to level is more expensive).
