## Nominate a Job Corps Student of the Month!

### Featured Student

Meet Esteban

Each month, Job Corps features a student from one of its centers on the national recruiting site (<http://recruiting.jobcorps.gov>). The recruiting site is a marketing tool for the Job Corps program, and the Student-of-the-Month feature gives centers a chance to showcase their best students.

We've attached the nomination form for your convenience.

Send us your nominees today!!
